

COME AND STAY ON OUR BOAT !!

“Never Enough”

We make our boat available for guests to stay and enjoy Brixham. The boat is moored in Brixham Marina, which has amazing bathroom facilities, laundry and lounge. The marina office is available 24 hours a day, and the staff are friendly and helpful. The boat is perfect for 2 adults and dogs are accepted after discussion about suitability to be on a boat. Brixham town centre with restaurants and shops is 5-10 minutes walk, all for a fabulous holiday experience, for one night or more.

Feedback Dan & Leaf June 2018

“Our hosts met us at the marina to show us all the facilities on offer and the boat. We have never stayed on a boat or in a marina so this was really helpful. Jeff and his wife showed us around their squeaky clean boat and how everything operated to put us at ease. We were really surprised how many additional extras they provided such as tea, coffee, milk and everything and more you could want for a continental style breakfast. Also, a chilled bottle of wine in the generously stocked fridge. We know Brixham well but having the boat as a base was fantastic. So quiet, relaxing and great for wildlife. We watched a seal eat his tea and a Cormorant eating breakfast, you would never see this in your average b and b. Although compact the use of space is great really cosy inside and open air feel on deck to watch the marina and other boats whilst enjoying a drink. 10 minutes walk to Brixham centre with a good choice of bars and restaurants/shops. We had a lovely stay and would book again in a heartbeat.”

Feedback Rosemary and Richard May 2018

“The boat is compact but very well thought out and has everything you need. The beds are very comfortable too. Our hosts met us and showed us everything on the boat – they had also left lots of provisions for snacks and breakfast. In addition, you have access to the marina facilities which are very good and the marina staff, are very helpful and friendly. The marina is in a lovely location and a 5-10 minute walk from the centre of Brixham. We haven’t spent much time on boats so staying on a boat for the night was a real novelty and a great experience.”
